Your Care, Your Support, Your Velindre.

Velindre Cancer Centre has been providing care and support to cancer patients and their families in Wales for over 50 years. Thanks to early detection and better treatments, the number of people in Wales living with cancer is higher than ever before. Velindre Cancer Centre is determined to raise the funds necessary to meet these new challenges, and to continue to deliver the best possible service to our cancer patients and their families.

“May I, on behalf of Maureen and myself, thank you, your staff and all the persons with whom we came into contact during my treatment at Velindre. It was of the very highest standard given with wonderful efficiency, empathy, sympathy and great care. Everyone seemed to have the gift of making you feel that you were the only one that mattered even though the Hospital was always full. Once again many, many thanks for your tender loving care”

Dr Alun Bater,
Glamorgan

Your support is vitaly needed and greatly appreciated.

Just one of the many
teams who helped raise
funds for our well enjoyed
Excalibur Challenge.

“My treatment started and I had two nurses to hand day and night and nothing was too much trouble. I would award the staff of all departments 100/100! I just wish other hospitals were as kind and considerate as all the people in Velindre, I can't thank you enough for the care and support given to me and my family.”

Mr David Lawrence Powell,
Gwent

Regular Giving is a great way of supporting Velindre Cancer Centre. It gives us the security of long-term funding, which allows us to plan ahead in the most cost effective way possible. If you are a UK taxpayer, we can also claim another 28p from the Inland Revenue for every £1 donated. So a regular donation of £5.00 a month means we can claim an extra £16.60 a year, making the total donation £76.80. A regular gift to us, no matter how small is a wonderful way to show how much you care about Velindre Cancer Centre.
Please complete the form overleaf and return to us.
